WORK EXPERIENCE

Meat Clerk

Fresh Street Market

January 2020 to November 2020

I had to package and sometimes cut some meat for the counter and keep the counter filled throughout the day. Serve and answer any questions from the customers. Keep the department neat and tidy

I mainly did closing shifts hence did a lot of the cleanup of the machines and coolers.

I was really efficient at what i was told to do and was praised for my productivity

Loading meat into the coolers and keeping the cooler tidy

Serving customers regularly and answering any of their questions

Occasionally receiving orders.
